HepaDol®

Liver Support
Milk Thistle
Phospholipids
Soybean Extract

Supplement for Dogs and Cats
60 tablets

Properties

HepaDol is a formula specially designed for dogs and cats to maintain an overall condition of liver. The formula contains a well selected set of vitamins, pro-vitamins and is additionally enriched with **Ornithine, Arginine** and **Taurine**. This product contains **Milk Thistle** and **Soybean extract**. **Phospholipids** aid the digestion and absorption of essential fatty acids and vitamins.

Direction for use:

Cats: 1 tablet / day

Dogs: under 15 kg body weight - 1 tablet / day

15-30 kg body weight - 2 tablets / day

over 30 kg body weight - 3 tablets / day

Formula should be given with a meal.

Recommended period of application: initially up to 6 months.

It is recommended to consult a veterinarian before application or long-term intake.

Drinking water should be available all the time.
