

Our Cookie Bag Range

All merchandise orders need to be sent to head office by Monday. These will then be sent to you on Tuesday.

From Head Office you can order Cookie bag kits.

These include:

- A bag
- A label
- An elastic band
- A ribbon
- A 'best before' date sticker
- A 'thank you for coming to my party' sticker if required.

Cookie bag kits are ordered in packs of 10.

There is no management fee payable on any merchandise you sell.

You will fill the bags with the ingredients, add the label and sticker and complete with a bow.

You will need to keep record of all cookie bags made and use this to work out the 'Best Before' date and label this on the base of the bag.

These are great to sell as Party bag favours.

Customers who have booked a party with you will be thrilled to receive a complementary cookie bag in the post along with their invites if you are keen to upsell!

You can sell these as party gift favours, at local fairs and events

Depending on the occasion, we have a selection of stickers too!
