

HORSEMIX UNIVERSAL

Highly concentrated formula for horses

- Ideal for horses of any age and breed
- Aids recovery, vitality, coat and skin conditions
- Maintains good healthy shape and metabolism
- Immune system support

Properties

Horsemix Universal is a multi-component complementary feed with macro and micronutrients, vitamins, and amino acids to maintain the nutritional requirements in horses. The majority of the components are highly concentrated to aid your horse with the right nutrients it needs in addition to balanced and healthy diet on a complete ratio basis.
