

14-Day Cooling-off Period Waiver

Agreement Ref: Dated:

I confirm that Abbott's Security have made me aware of; The Consumer Contracts Regulations 2013 and potentially any 14-day cooling-off period that may apply before they can commence work on my behalf.

As far as permitted, I wish to formally waive my right to any 14-day cooling-off period and wish for them to commence work on my behalf without delay.

If I later change my mind and cancel the order, I agree to immediately pay for any work already performed and/or equipment already supplied.
